Acadia Area ATV'ers

Newsletter

Upcoming Meetings

Due to the Covid-19 pandemic, in person club meetings are not possible. We have a number of members who have no computers or internet connections in order for us to meet virtually. **The club officers, unless one resigns, will remain in their offices until a meeting can be held.**

A Message from the President

Hi everyone,

Hope this finds you well. Hopefully we can meet in person again. All the signs seem to point to cases going down. March is personal membership month. Dues are still \$20 single and \$30 for a family. Stay well and hope to see you soon.

Membership

As Bo indicates above, March is membership month. We already have three new members who joined for next year. Membership forms (filled-in) are attached to the newsletter. You can simply check off the boxes, **change what needs changing or added**, and send the form, along with your check. A number of members indicated they would like to purchase a membership for a friend or family member. It is a simple process. You can clip the coupon below, fill it in, and send it along with a check and we will see that they get a pre-paid membership form to fill in and return.

Activities

In anticipation of being able to meet again, let us all think about new adventures we can take and places we would like to ride to this summer. T-minus 90 days? Spring will be here before we know it and then we can get out on the trail and with masks and social distancing enjoy this summer. For those of us who are of the age to get the vaccine, hopefully you can get through and schedule an appointment for your shot.

Is there any place in particular that we haven't been that you might enjoy visiting? Is there a trail that we need to fix that we can do utilizing social distancing? Keep some times available to help our trails and our trail master.

While you're thinking about things that you might like to do, also keep in mind the fact that we need to do things for charity. There are a number of folks that need help during this pandemic. Do you know of someone in your neighborhood that you could help? Reach out. Keep your older friends, family, and neighbors in your thoughts and help whenever you can. It will mean a lot to them. Drop off a dessert or perhaps a casserole.

We all hope that you had a
